Gala party 2023

Dear students!

The school hereby invites you to the annual gala party.

Friday, February 3, 2023

The school party has always been one of the festive highlights of the school year.

The graduating students will dance lanciers in their finest clothes, and they celebrate that they have now become the graduating classes. They do so in the classrooms from 8 to 10 pm after which the evening finishes with chaos lanciers and parents are bid farewell.

You are invited along with all the other students, classes and teachers in the high school gymnasium. Here the tables will be set for you to sit with your class and teachers. The boarding school prepares a great gala dinner that is included in the ticket price.

Only the graduating classes can invite parents. All other classes cannot invite guests.

Tickets for the party must be purchased at safeticket.dk, and you can access the link from the school's website.
